

Privacy Policy

Company Commitments

1.1. Crypt Finder Limited (the "Company") prioritizes the **privacy and security** of our **Clients' personal information**, including **current and prospective Clients**, as well as **visitors to our website**. We are dedicated to maintaining the **confidentiality** of all information received from our Clients.

This **Privacy Policy** (the "Policy") outlines **how we collect, use, and safeguard** Clients' personal data. Clients are **not required** to provide any additional information beyond what has already been submitted unless requested due to **service updates** by authorized representatives of the Company.

Collection of Personal Data

2.1. To establish an **account**, the Company requires certain **personal details ("Personal Data")** from the Client. This information allows us to **better understand Client needs** and offer the most **relevant products and services**. Additionally, it enhances the **quality of support** we provide regarding any Client inquiries.

Personal Data We Collect

3.1. Information provided in **applications and Company forms**, including but not limited to:

- **Full name, residential address, date of birth, passport details, occupation, and personal contact information.**
 - **Financial information, including income level, assets, and investment experience.**
 - **Identity verification documents** such as **passports, utility bills, bank statements, or corporate registration details.**
 - **Payment-related documents, including wire transfer instructions, bank statements, and copies of bank cards.**
-

Use of Personal Data

4.1. The Company may use **Client Personal Data** for the following purposes:

- **Verification** of the Client's **identity**.
 - **Processing** of **trading and non-trading transactions**.
 - **Implementation** of the Company's **Anti-Money Laundering (AML) policies**.
 - **Informing Clients** about **products and services** that may be of interest.
 - **Providing services** that align with the Client's **business relationship** with the Company.
 - **Maintaining an accurate record** of Client **account details**.
 - **Conducting statistical analysis** to enhance product and service offerings.
-

Cookies

5.1. The Company uses **cookies**, which are **small text files** stored on a visitor's **browser**, to enhance the **user experience**. Cookies store information such as **encrypted passwords, usernames, shopping cart details, and site preferences** to streamline repeat visits. **They do not store personally identifiable information.**

Sharing of Personal Data

6.1. The Company may **share Client Personal Data** with **affiliated companies, auditors, payment processors, banks, and other authorized entities ("Authorized Persons")** solely for the purpose of **processing trading and non-trading transactions**.

6.2. The Company ensures that **all Authorized Persons** comply with this **Policy** and implement **stringent security measures** to protect **Client Personal Data**.

6.3. **Personal Data** will only be disclosed to **non-affiliated third parties** if **required by law, regulatory authorities, or legal proceedings**.

Consent to Data Use

7.1. By **registering an account** with the Company, Clients **consent to the collection, processing, storage, and transfer** of their **personal data** in accordance with this **Policy**.

Data Security and Protection

8.1. The Company employs **robust security measures** to protect **confidential information**, including:

- **Strict internal standards** for the handling of **confidential information**.
- The use of **leading-edge data storage technologies**.

8.2. All **sensitive data transmissions** are protected using **Transport Layer Security (TLS) 1.2 encryption**.

8.3. Payments made via **bank cards** are processed **securely** through a **third-party payment gateway**. The Company adheres to the **Payment Card Industry Data Security Standard (PCI DSS)** and **does not store complete Client bank card details**.
